EXPERIENCE

Digital Marketing Team Lead · Three Trees Group

Full time · May 2026 to Present

Hanoi · two retail jewellery brands, ThreeTrees and TeeTee&Co. · two media buyers plus content, design, sales and customer care

- Lead objectives, budgets, launches and reporting across both brands; review two media buyers and coordinate content, design and sales. ThreeTrees recorded 7,479 Messenger conversations at about USD 1.21 each, 1 July to 23 October 2026.
- Corrected a creative/objective mismatch and reallocated existing July budget. The rebuilt Messages ad recorded 440 conversations at about USD 0.59 each; used daily reports to guide the next allocation.
- Own TeeTee&Co. landing pages, forms, FluentCRM, email journeys, UTM/fbclid capture and Pixel/CAPI Lead events. Reconciled CRM and platform data to diagnose a consent-related measurement gap.
- Led the ThreeTrees Google test and owned website measurement. Implemented GA4 events and Google Ads tags; distinguish order placement from confirmed payment when reviewing conversions.
- Built bilingual sitemaps and crawl fixes (57 to 83 indexed pages), a 33-product Merchant Center feed and verified Business Profiles for both brands.
- Compared 11 products with their own creatives over 20 days (3.7× spread in cost per message). Use AI for research, copy and checks, with human approval of campaign changes.
